

Historical Writing in England: 550 - 1307 and 1307 to the Early Sixteenth Century

Using a variety of sources including chronicles, annals, secular and sacred biographies and monographs on local histories Historical Writing in England by Antonia Gransden offers a comprehensive critical survey of historical writing in England from the mid-sixth century to the early sixteenth century. Based on the study of the sources themselves, these volumes also offer a critical assessment of secondary sources and historiographical development.
